Research & Data

Grounding your digital strategy with real-world user needs.

- ✓ Identify key pain-points
- ✓ Save time & long-term costs
- ✓ Evidence based decision-making

[Learn more](#)

Web & App Design

We turn outdated, legacy processes into user-friendly digital tools and services.

- ✓ User Experience & Interface
- ✓ Concept Prototyping
- ✓ User feedback & testing

[Learn more](#)

AI Integration & Adoption

Helping your organisation adopt and navigate AI responsibly.

- ✓ Educational workshops
- ✓ Custom agentic system
- ✓ Optimised AI workflows

[Learn more](#)

Software Engineering

Building the products & services with clear and concise requirements.

- ✓ Full stack software capabilities
- ✓ Agile development cycles
- ✓ Quality assurance testing

[Learn more](#)

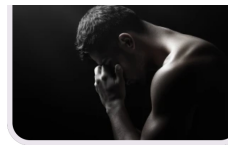

Design Strategy

We map the "invisible" journeys that make or break an organisation.

- ✓ User Journey Mapping
- ✓ Problem Identification
- ✓ Operational Blueprints

[Learn more](#)

Digital Storytelling

We turn complex social data into clear, human stories that inspire action.

- ✓ Translate data to empathy
- ✓ Dignity first design
- ✓ Purpose-led branding

Why Studio Soren?

We combine the personal touch of a freelancer with the resources of an agency. All with an unwavering focus on social & value led impact.

	Freelancers	Studio Soren	Traditional Agencies
Team Expertise	✗ Solo specialist	✓ Curated collective of experts	✓ Large teams
Personal Attention	✓ Direct access to designer	✓ Project lead & dedicated comms channel	✗ Account managers only
Social Impact Focus	✗ Case by case	✓ 100% mission-driven	✗ CSR often an afterthought
Scalability	✗ Limited capacity	✓ Flexible team scaling	✓ High capacity
Cost Efficiency	✓ Budget-friendly	✓ Value & impact optimised pricing	✗ Premium overhead
Strategic Partnership	✗ Project-based	✓ Long-term collaboration	✗ Depends on contract
Emerging Tech (AI & Agentic Sytems)	✗ Rare expertise	✓ Specialised innovation	✗ Expensive add-on
Non-Profit Understanding	✗ Variable experience	✓ Sector specialist	✗ Corporate-focused

Let's get the kettle on and make a difference...
